*Laboratory Services *

Laboratory services must be provided by the designated laboratory provider. Primary care provider's (PCP) location determines which laboratory facility patients must use in accordance to their health plan. Members assigned to Visalia and Exeter PCPs (NON-KDMF) must go to Kaweah Delta District Hospital, members assigned to Tulare PCPs must go to Quest Diagnostics, members assigned to Hanford, Corcoran, Dinuba, and Lemoore must go to Quest Diagnostics, and members assigned to Porterville PCPs must go to Sierra View District Hospital. Members that are assigned to Kaweah Delta Medical Foundation (Former Visalia Medical Clinic) providers must go to Kaweah Delta Medical Foundation (KDMF/VMC) Lab. If laboratory services are performed other than your designated facility, the patient might be responsible for any payment. If you have any questions, please contact Key Medical Group at (559) 735-3892.
